COFFEE AND FRIENDS
Make the perfect blend

I like my *cream & sugar* with a touch of coffee.

Sweet as sugar

I love you more than coffee but not always before coffee

today's good mood is brought to you by coffee

Less is more unless it is coffee

I'll start working when my coffee does.

COFFEE IS A HUG IN A MUG
May your coffee be strong & your Mondays be short.

May your coffee be strong and your eyeliner be even

coffee | noun.
1. liquid that smells like fresh ground heaven.
