lissing you instead of

I wish I could see you tomorrow even for a second

When I close my eyes, I see you. When I open my eyes, l miss you.

Missing someone is your heart's way of reminding you that you loved them.

Tifemoves pretty fast.
If you don't stop and look around once in a while, you could miss it.

I think a part of me will always be waiting for you.

I keep ,myself busy with the things I do. But every time I pause, I still think of you.

Can you feel me when I think about you?
