The image displays four distinct creative layouts for a presentation slide, each featuring a large gray rectangular area for text, surrounded by colorful geometric shapes and patterns.

- Layout 1 (Left):** A large gray rectangle is centered, with a smaller gray rectangle above it. The background is white with a light yellow circular pattern. The text "title here" is positioned below the main gray area. To the right of the main gray area is a vertical list of small, illegible text items.
- Layout 2 (Second from Left):** A large gray rectangle is centered, with a smaller gray rectangle above it. The background is white with a light yellow circular pattern. The text "title here" is positioned below the main gray area. To the right of the main gray area is a vertical list of small, illegible text items.
- Layout 3 (Third from Left):** A large gray rectangle is centered, with a smaller gray rectangle above it. The background is white with a light yellow circular pattern. The text "title here" is positioned below the main gray area. To the right of the main gray area is a vertical list of small, illegible text items.
- Layout 4 (Right):** A large gray rectangle is centered, with a smaller gray rectangle above it. The background is white with a light yellow circular pattern. The text "title here" is positioned below the main gray area. To the right of the main gray area is a vertical list of small, illegible text items.
