Family FRIENDS From Generation TO generation HOME LIFE IS A Journey, Legacy Memories REUNION

TOGETHER family Traditions My best friend is the one who brings out the best in me. The best things in life aren't things - they are FRIENDS. OTHER THINGS MAY change us, BUT WE START AND END with family. Time WITH THOSE WE love IS LIFE'S greatest GIFT. friends ARE THE MOST IMPORTANT INGREDIENT IN THIS RECIPE OF LIFE. Laughter is the shortest distance between two people.

I GET BY with a little help FROM MY friends. A friend is someone who knows ALL about you and loves you anyway! THE family IS ONE OF NATURE'S masterpieces. TOGETHER wonderful PLACE TO BE. We all take different paths in life, but no matter where we go, we take a link of each other everywhere. Friends, EACH OTHER'S HOPES THEY CHERISH EACH OTHER'S dreams. Family lives in every moment. Looking at people who belong to us, we see the past, present and future. The best part of life is when your family becomes your friends and your friends become your family.

When you look at your life, the greatest happinesses are family happinesses. Family. TODAY'S LITTLE MOMENTS BECOME TOMORROW'S PRECIOUS MEMORIES. A friend is a person who knows what you are saying, even if you're not talking. WE ARE ONE BIG family of people trying to make our way THROUGH THE unfolding paths OF LIFE. A real friend will tell you when you have spinach stuck in your teeth. LIKE BRANCHES OF A TREE WE grow IN DIFFERENT DIRECTIONS, YET OUR ROOTS REMAIN AS ONE. EACH OF OUR LIVES WILL always BE A special PART OF THE OTHERS.
