## Papers

## Embellishments

love  
IS LIKE  
a friendship  
caught on  
fire

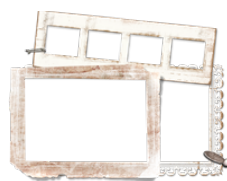

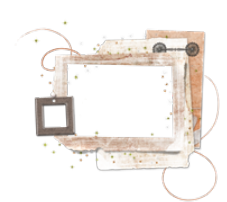

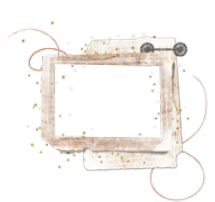

i love you  
those THREE words  
have my life in them...

the greatest  
thing you'll  
ever learn  
AND BE loved

for IT  
was not  
into my heart  
BUT INTO MY HEART

there are  
three THINGS  
that last:  
faith  
hope  
and love

I WILL LOVE YOU FOREVER
