MORTAL AS I AM,
I KNOW THAT I AM
BORN FOR A DAY,
BUT WHEN I FOLLOW
AT MY PLEASURE
THE SERPED MULTITUDE
OF THE STARS IN THEIR
CIRCULAR COURSE,
MY FEET NO LONGER
TOUCH THE EARTH.
- Ptolemy

IF THE STARS SHOULD
APPEAR ONE NIGHT IN A
THOUSAND YEARS, NOW
WOULD MEN BELIEVE AND
ADORE, AND PRESERVE FOR
MANY GENERATIONS THE
MEMORANCE OF THE CITY
OF BETHLEHEM WHO HAD BEEN
SHOWN BUT EVERY NIGHT
COME OUT THE BE ENJOYS
OF BEAUTY AND LIGHT THE
UNIVERSE WITH THEIR
ADMIRING SMILE.
