Embellishments

happiness
is a habit.
to be
cultivated

do all things
with the
kindness
in your
heart

at the
end of the day
all that
really matters
is you and me

it's
all about
capturing
that one
precious
moment

and suddenly
you just know
that it's time
to let go
and grow

so grateful
for small things,
big things,
and everything
in between

LOVE YOU

EVER AFTER

IN THE MOMENT

RIGHT NOW

SO MUCH MORE

CAPTURED
moments

MEMORIES
made

LOVE
this

DIVINE
moments

LET GO
and live

FOREVER
more

DELIGHT
in life

MEMORABLE
moments
