## Embellishments

sweetest ever

make happiness a habit

never too late

good morning

bloom where you're planted

high hopes

with wings

use your wings

this matters

need this so much

love you more

hello love

live in the sunshine

work hard & be kind

the best is yet to come

find your wings

you are loved

be your best

just chill

and so it begins

cheers

look around

love is all around

be happy & smile

so awesome

live for the moment you can't put into words

lovely

delightful

kind heart, fierce mind, brave spirit

it is well with my soul

make your dreams happen

rise and shine

some see a weed, some see a wish

enjoy today

let more light in

scatter joy

my heart

seize the day

make good use of today
