Be Happy

Start with a grateful heart

Happiness depends on ourselves

The secret of happiness is freedom. the secret of freedom is courage.

Happiness is not something ready made. It comes from your own actions.

"Happiness is being content with what you have, living in freedom and liberty, having a good family life and good friends."

Happiness is a good book and a comfortable chair.

HAPPINESS IS AN INSIDE JOB.

"Happiness is a butterfly, which when pursued, is always just beyond your grasp, but which, if you will sit down quietly, may alight upon you."

WHEN IT RAINS, LOOK FOR THE RAINBOWS. WHEN IT'S DARK, LOOK FOR THE STARS.

The only thing that will make you happy is being happy with who you are.

Happiness is the best makeup

Being happy never goes out of style
