## Embellishments

  
turns out,  
not where,  
but who you're with  
that really matters.

A successful Woman  
is one who can build  
a firm foundation  
with the bricks others have  
thrown at her.

The trouble is,  
you think you  
have time.  
-Buddha

Please  
excuse our  
messy  
house. We  
are busy  
making  
memories.

Time is free  
But it's priceless  
You can't own it.  
But you can use it.  
You can't keep it,  
but you can spend it.  
Once you've lost it  
You can never get it back

  
Time  
has a wonderful  
way of showing  
us what really  
matters.

The price of anything  
is the amount of life  
you exchange for it.

After years with it,  
I still explore my  
mind and get lost.

  
I knew  
when  
I saw you  
an  
adventure  
was going to  
happen.

Time is  
not measured  
by clocks but by  
Moments.
