Embellishments

Every end is
a new
beginning

Distance means
so little
when someone means
so much

you
got
this

Keep your
head up
Keep your
heart strong

she needed a hero,
so that's what
she
became.

"Keep your head
up, Princess,
otherwise your
crown falls."

I'm
thankful
for my
struggle
because
without it
I wouldn't
have
stumbled
across my
strength.

You were given this life because
you were strong enough to Live it

Tough Times Don't Last. I'm not Perfect,
Tough People do. But I'm worth it

Give.
But don't allow yourself to be used.
LOVE.
But don't allow your heart to be abused.
TRUST.
But don't be naive.
Listen.
But don't lose your own voice.
