FAMILY HEIRLOOMS
should keep on telling
THEIR STORIES.

The most treasured
heirlooms are sweet
FAMILY MEMORIES.

MEMORY is the
treasury & guardian
of all things.

We go to Grandma's attic,
filled with this and that treasure.
For treasure troves await us when we
walk beyond its door.
The sun shines through the windows
centered in the papered walls.
It lights our way to sailing ships
and fragile china dolls.
The rocking horse our grandpa rode
and galloped to-and-fro
and steamer trunks of dress-up clothes
from eras long ago.

MEMORIES
are like antiques.
The older they are
THE MORE
VALUABLE
they become.
