HELPFUL HINTS

1. Create an empty frame using the brush option.
2. Select both the main frame and the background, then make both the main and edge frames using the stamp option.
3. In your records, select the Artistic License Flippy Frames Kit.
4. Select the image frame you created. Then go to the Frames tab in Contents and click the stamp button to apply it.
5. Fill the frame with a paper or photo of your choice.
6. To flip the frame:
Select the photo spot.
Right-click and choose Effects > Flip.
To flip the background, then click OK.
The frame will flip to suit your page layout.
7. To change the frame, return to step 4 and select a different frame.
