HELPFUL HINTS

1. Create an empty frame using the brush option.
2. Select both the main frame and the background, then make both the same size and color from using the change option.
3. In your records, select the Artistic License Flippy Frames Kit.
4. Select the empty frame you created. Then go to the Frames tab in Contents and click on the desired frame to apply it.
5. Fill the frame with a color or photo of your choice.
6. To flip the frame:
Select the photo spot.
Right-click and choose Effects > Flip.
To flip the frame again, then click on it.
The frame will flip to suit your page layout.
7. To change the frame, return to step 4 and select a different frame.
