Missing you...

Let the memories  
carry us through

Today is a hard day

Angel baby

Grief changes shape  
but it never ends

Grief is the price  
we pay for love

Blessed are those who mourn  
for they will be comforted  
Matthew 5:4

In loving memory  
of those we hold  
forever in our hearts

I will hold you in my heart  
until I can hold you in heaven

Little by little  
we let go of loss  
but never of love

Your love will light our way

My little angel

Grief is love with nowhere to go

Always in my heart

What might have been

Gone too soon

You are my favorite memory

You are my favourite memory

Too beautiful for earth

An angel watches over me

Your wings were ready,  
my heart was not

Always loved,  
Never forgotten,  
Forever missed.

My heart is struggling  
without you

Gone but never forgotten

Letting go

Life will never be the same

A life so brief,  
A child so small,  
You had the power  
To touch us all.

Yea, though I walk through the valley  
of the shadow of death,  
I will fear no evil;  
for thou art with me;  
thy rod and thy staff they comfort me.  
Psalm 23:4
