A 6x6 grid of 36 square tiles, each featuring a different pattern or texture. The patterns include various colors (teal, yellow, orange, blue, white) and designs such as floral, geometric, stripes, waves, and wood grain. The tiles are arranged in a grid, with each tile having a unique design. The designs range from solid colors to complex patterns like floral, geometric, stripes, waves, and wood grain. The colors used are primarily teal, yellow, orange, blue, and white. The patterns are diverse, including floral motifs, geometric shapes, stripes, waves, and wood grain textures.
